Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to forward herewith letter No. C.142 dated 23rd September 1918 addressed to you by the Inspector General of Police together with the Proposition Statements in duplicate duly verified.

The proposition relates (1) to the formation of a Frontier Patrol at Davangere and (2) the revision of the forces at Davangere and Harihar. The former involves a temporary additional expenditure of Rs. 8,322/- and the Inspector General states that this should be met from the 'Funds ~~Account~~ all apart from relief measures.' The additional cost involved by the latter, excluding the cost of the Gazetted officer which is stated to be under the consideration of Government, is permanent and amounts to Rs. 7872/- per annum of recurring expenditure.

The savings pointed out by the Inspector General of Police in para 7 of his letter have been taken into account in framing the Budget Estimates and the extra cost cannot therefore be

13

met from that source.

There is no margin for any further expenditure whatever under the group " Protection and Army " and details of certificates required under the scheme of Final Settlement are not repeated here as they are furnished in previous certificates.

I have the honor to be,

Sir,

Your most obedient servant,

Dated Bangalore, the 17th September 1918.

From

Offg. Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer Esqr., B.A.,

Chief Secretary to the Government of His Highness the Maharaja of Mysore.

THROUGH THE COMPTROLLER OF MYSORE.

Sir,

I have the honor to state that the Deputy Commissioner, Chitaldrug District, recommends the entertainment of a special mounted Police for patrolling the frontier, in connection with the present seasonal conditions. A copy of his letter No.211 dated the 11th instant, submitting the proposals for the same, is herewith forwarded.

2. I have just toured in the frontier Taluks of this District, and find that the scarcity of food grains in the neighbouring British Taluks is so great that there will be a rush of the distressed population into our parts. There is also the danger of grain-pits and grain shops in our villages being looted and much damage done to property in these parts of the State. Several instances in which the distressed people had plundered grain-pits and set fire to houses in the bordering Taluk of Ranibennur were related to me at Harihar, and I shall not at all be surprised if similar occurrences take plac in our distressed parts too. There are, besides, a number of Criminal settlements formed on the borders and information has reached us that several of these desperately bad characters ar at large. If the stress continues, of which there is no sign of abatement, I expect a crop of highway robberies, dacoities,

and other heinous offences. The first and foremost measure of preventive importance is to establish a cordon on our frontiers to check the rush of distressed people, and secondly to catch and apprehend the criminal gangs before they enter our parts. It is proposed to establish Out-Posts on the main roads/and on the line of march of the criminal gangs. The Deputy Commissioner proposes to man them each with two to four constables, but I would reduce the number of constables by one and replace it with Toties and Talaries on half their pay. The pay proposed for the officers in charge of an Out Post is that of a 1st class Daffedar on Rs.18/-. This is less than what is paid now to the officer in charge of the temporary Ookad established to prevent the clandestine removal of food stuffs. The Deputy Commissioner proposed to have mounted men to effectively patrol roads, cart tracks and jungles. I quite agree with him in his proposal. Men on foot cannot effectively patrol and they are not feared as much as the mounted men. It is proposed to give them each a pony allowance of Rs.12/- which in these days of scarcity of fodder and horse gram is quite moderate.

3. For efficient performance of the patrol duties, this establishment must be under the control of a separate superior agency. I therefore recommend that, in addition to the 19 Daffedars and 34 constables and 68 Talaries, 1 Inspector and two Sub-Inspectors be appointed, whose duty it will be to be constantly on the move and check the work of the Special Police and keep a strict vigilance over their conduct. Without a supervising agency, the establishment of Out-Posts, whether for Police work or for the prevention of clandestine transport of food grains will be useless. The pay of the Inspector and the Sub-Inspector will be the minimum pay of their grade, sanctioned under the re-organization scheme, viz., Rs.60+25 for the Inspector and Rs.40+20 for each Sub-Inspector

The extra establishment will cost Rs.1,387/- per mensem, as noted below:--

	Rs.
1 Inspector @ Rs.60+25	85
2 Sub-Inspectors @ 40+20	120
19 Daffedars @ 18+12 each	570
34 constables @ Rs.10/-	340
68 Toties and Talaries @ Rs.4/-	272
	Rs.1,387/-

This establishment, which will be dispensed with as soon as the situation improves, may for the present be sanctioned for a period of six months.

4. I have long felt the desirability of appointing an Assistant Superintendent of Police, at Davangere, to relieve the Superintendent of Police of Chitaldrug District, of the heavy investigation and inspection work devolving upon him, and the necessity has now become the more at the present juncture. In this extensive District, which of all the Districts in the State will be badly affected, there is sure to be a great increase in heinous crime and it will be impossible for the Superintendent of Police, singlehanded as he is, to cope with it. I therefore strongly urge that an Assistant Superintendent of Police on Rs.200/- may be appointed for the charge of Davangere Sub-Division at once as a permanent measure. If my proposal for re-organization of the Police Force made in my D.O.letter dated the 4th September 1918, be approved, there will be no need for a separate allotment to meet the pay of this officer.

5. In this connection, I have also to urge the strengthening of the Police Force of the Davangere Town. The present Police establishment of the Town consists of one Sub-Inspector, one 2nd class Daffedar and 25 constables, which is the scale fixed at the time of the introduction of the investigating Centre Scheme. Since then, the Town has outgrown itself considerably, its present area being one square mile, with a population of over 10,000. The new extensions, the rapid development of

of commercial activities in recent times and the influx of the labouring classes from outside have added greatly to the work of the Police Force, which, as it stands at present, is quite inadequate to meet the requirements of the Town. During my visit to the Town, the leading men met me in a body and represented that the Town Force should be augmented, and from my personal inspection, I find it necessary to do so, as the Town being on the borders and a great storing place for grains, is in danger of being looted by the distressed people of the Town itself and the neighbouring parts. The Deputy Commissioner recommends the opening of two Out-posts,,one in each of the extensions, and the entertainment of the following additional staff:-

2 Daffedars for the two Out-posts.
8 constables at 4 men for each Out-post.

I consider that the additional Force proposed is the minimum required and should be sanctioned immediately. The extra cost of this establishment amounts to Rs.152/- per mensem or Rs.1,824/- per annum.

*2 Daffedars @ Rs.18/-.	36	
8 constables @ 8-1-11 average 9.5	76	
Local allowance of 4/- each to the Daffedars and constables	40	
	152/-	

6. Davanagere Taluk and Harihar Sub Taluk are the two Taluks in the ~~State~~ where living is very costly, equal to, if not more than what it is on Kolar Gold Fields. Just at present, when ragi the staple grain is being sold at 10 to 12 seers a rupee in other parts of the State, including the Kolar Gold Fields, it is selling at 7 to 8 seers a rupee in these two Taluks, and other commodities also are equally dear. The Police men therefore should be given a substantial local allowance to meet this contingency, as otherwise it is hard to get men to enlist themselves in the Force. During my recent inspection, I found that out of ~~a scale~~ of 16 men for the Harihar Town, there were as many as 10 vacancies, and such a state of things has been continuing in these parts for some months past and the situation is likely to be worse if the

the present seasonal conditions continue. I therefore propose that the Daffedars and constables of the Davangere Taluk and Harihar Sub-Taluk be given a local allowance of Rs.4/- each, as without it, no Police Force worth the name can be maintained in these parts. These allowances will amount to Rs.504/- per mensem, or Rs.6048/- per annum, as in the margin.

Davangere Taluk.	Per mensem.
62 Daffedars and 73 constables. 79 @ Rs.4/-	316
Harihar Sub-Taluk.	
5 Daffedars and 42 constables. 47 @ Rs.4/-	188
	Rs.504/-

7. To sum up, my proposals are:--

I. FRONTIER PATROL-TEMPORARY FOR SIX MONTHS--TO BE DEBITED TO THE FUNDS SET APART FOR RELIEF MEASURES.

	Per mensem.
1 Inspector @ 60+25	85
2 Sub-Inspectors @ 40+20	120
19 Daffedars @ 18+12	570
34 Constables @ 10	340
68 Talaries @ 4	272
	Rs.1,387

II. PERMANENT ESTABLISHMENT.

	Per mensem	Per annum.
(i) Assistant Superintendent of Police for Davangere.	200	2400
(ii) Extra staff for Davangere Town.		
2 Daffedars at 18	36	
8 constables @ 8-1-11 average 9.5	76	
Local allowance @ 4	40	
	152	1824
(iii) Local allowance to Daffedars and constables of Davangere Taluk and Harihar Sub-Taluk @ 4 each	504	6048
Total excluding pay of Assistant Superintendent of Police.		Rs. 7,872.

The pay of the Assistant Superintendent of Police, amounting to Rs.2,400/- per annum has been excluded from the total, as it will be merged in the general scheme of re-organization proposed by me, while the extra expenditure for increase of the staff and the allowances to the existing staff in this District amounts to Rs.7,872/- per annum, which may be met from the anticipated savings in the Police Budget at the end of the current official year, owing to savings in pay of District Police on account of vacancies in the several grades.

8. I beg that the sanction of Government to all these proposals may kindly be obtained at a very early date.

9. I may also add that the frontier Patrol Police proposed may also take up the duty of preventing the clandestine and surreptitious removal of food grains for which establishment of separate Ookads has become necessary,. The Food Controller with whom I discussed the matter, is agreeable to this proposal. My proposals if sanctioned will save to the Government the cost of additional establishment which they have to incur for the establishment of new Ookads and will secure further effective control over them which is wanting now in the present system.

10. The necessary proposition statements in duplicate are herein enclosed.

I have the horor to be,

Sir,

Your most obedient servant,

Offg.Inspector General of Poli

Letter No.211 dated 11-9-1918 from the Deputy Commissioner, Chitaldrug District, to the Inspector General of Police in Mysore, Bangalore.

I have the honor to state that Out Posts or Ookads have been opened in some villages on the Mysore British Frontier of this District to control the unusually heavy increasing export of food grains to the adjacent British Territory where food stuffs are not available and are being sold at famine prices. The opening of the Ookads on the main roads has led to smugglers using unfrequented cart tracks to export food stuffs. It is therefore very necessary to guard these cart tracks from attacks of criminal tribes which have been settled very close to the District border in the British Territory and who may be tempted to make inroads into our Province. It is learnt that these criminal tribes are in very sore straits in finding suitable employment to earn enough money to buy food stuffs at the existing exorbitant rates. As the shortage of food stuffs in some villages of our own Province has led to abnormal rise in their prices it is likely that even the poorer classes might resort to robberies and dacoities on the cart tracks and roads. These questions were discussed with you when you visited Davangere and Harihar. I have therefore the honour to propose that mounted Daffedars and constables may be stationed at the important villages mentioned in the statement herewith enclosed, for patrolling the cart tracks, jungles and hilly tracts which, being adjacent to the frontier, may afford easy access to criminal gangs. These Daffedars may be paid Rs.18 per month each and may be given an allowance of Rs.12 per month for maintaining a pony. The Police constables may be paid Rs.10 each as in the out of the way places they will be stationed, provisions will be very costly. The cost of maintaining this extra force would amount to Rs.1250/- but this is absolutely necessary for safeguarding the frontier and roads from the inroads of the Criminal

Tribes, who, if they were once allowed to enter the Province, might venture further afield and commit dacoities and murders in more Districts than one and thus render life, trade and communication very unsafe.

I therefore request you to kindly obtain early sanction of Government to my proposal.

" C O P Y "

URGENT

OFFICE OF THE
INSPECTOR GENERAL OF POLICE IN MYSORE.

Bangalore, 1st October 1918.

Dear Mr. Balasundaram Iyer,

I send enclosed a copy of my letter to Government, forwarded through the Comptroller, re Frontier Patrol Police in Chitaldrug District and the augmentation of the Davangere Town Police. The proposal is both for the increase of the permanent establishment and the entertainment of temporary establishment.

If the sanction of the Government cannot be obtained early for the increase in the permanent establishment, I beg it may be sanctioned as a temporary measure, the question of making it permanent being taken up later on as it suits the convenience of the Government. The total cost of the whole scheme come to Rs.2,243 per mensem, and it may be sanctioned for a period of six months.

Yours sincerely,

1- OCT 1918

U R G E N T

No. C.142/Enc. Six. Office of the 28
Inspector General of Police in Mysore,
Dated Bangalore, 17/2nd Sep. 1918.

From

Mir Hamza Hysein, Esqr., B.A. B.L.,
Offg.Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer, Esqr., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore.
(Through the Comptroller)

Sir,

I have the honour to state that the Deputy Commissioner, Chitaldrug District, recommends the entertainment of a special mounted Police for patrolling the frontier in connection with the present seasonal conditions. A copy of his letter No.211 dated the 11th instant, submitting the proposals for the same is herewith forwarded.

2. I have just toured in the frontier Talus of this District, and find that the scarcity of food grains in the neighbouring British Taluks is so great that there will be a rush of the distressed population into our parts. There is also the danger of grain-pits and grain shops in our villages being looted and much damage done to property in these parts of the State. Several instances in which the distressed people had plundered grain-pits and set fire to houses in the bordering Taluk of Ranibennur were related to me at Harihar, and I shall not at all be surprised if similar occurrences take place in our distressed parts too.. There are, besides, a number of criminal settlements formed on the borders, and information has reached us that several of these desperately bad characters are at large. If the stress continues, of which there is no sign of abatement, I expect a crop of highway robberies, dacoities and other heinous offences. The first and foremost measure of preventive importance is to establish a cordon on our frontiers to check the rush of distressed people, and secondly to catch and apprehend the

29.

criminal gangs before they enter our parts. It is proposed to establish Out-posts on the main roads and cart-tracks and on the line of march of the criminal gangs. The Deputy Commissioner proposes to man them each with two to four constables, but I would reduce the number of constables by one and replace it with two Toties and Talaries on half their pay. The pay proposed for the officers in charge of an Out-post is that of a 1st class Duffedar on Rs.18. This is less than what is paid now to the officer in charge of the temporary ookad established to prevent the clandestine removal of food stuffs. The Deputy Commissioner proposes to have mounted men to effectively patrol roads, cart-tracks and jungles. I quite agree with him in his proposal. Men on foot caanot effectively patrol and they are not feared as much as the mounted men. It is proposed to give them each a pony allowance of Rs.12 which, in these days of scarcity of fodder and horse-gram, is quite moderate.

3. For efficient performance of the patrol duties, this establishment must be under the control of a separate superior agency. I therefore recommend that, in addition to the 19 Duffedars and 34 constables and 68 Talaries, one Inspector and two Sub Inspectors be appointed, whose duty it will be to be constantly on the move and check the work of the special Police and keep a strict vigilance over their conduct. Without a supervising agency, the establishment of Out-posts, whether for Police work or for the prevention of clandestine transport of food-grains will be useless. The pay of the Inspector and the Sub Inspectors will be the minimum pay of their grades sanctioned under the re-organization scheme, viz., Rs.60 plus 25 for the Inspector and Rs.40 plus 20 for each Sub Inspector. The extra establishment will cost Rs.1,387 per mensem, as noted below-

		Rs.
1	Inspector at Rs.60 plus 25	85
2	Sub Inspectors at Rs.40 plus 20	120
19	Duffedars at Rs.18 plus 12 each	570
34	constables at Rs.10 each	340
68	Totis and Talaries at Rs.4	272
	Rs.	1,387

This establishment, which will be dispensed with as soon as situation improves, may, for the present, be sanctioned for

39

period of six months.

4. I have long felt the desirability of appointing an Assistant Superintendent of Police at Davangere, to relieve the Superintendent of Police of Chitaldrug District, of the heavy investigation and inspection work devolving upon him, and the necessity has now become the more at the present juncture. In this extensive District, which of all the Districts in the State will be badly affected, there is sure to be a great increase in heinous crime and it will be impossible for the Superintendent of Police, single-handed as he is, to cope with it. I therefore strongly urge that an Assiatant Superintendent of Police on Rs.200 may be appointed for the charge of the Davangere Sub Division at once as a permanent measure. If my proposal for re-organization of the Police Force made in my D. O. letter dated the 4th September 1918, be approved, there will be no need for a separate allotment to meet the pay of this officer.

5. In this connection, I have also to urge the strengthening of the Police Force of the Davangere Town. The present police establishment of the Town consists of one Sub Inspector, one 2nd class Duffedar and 25 constables, which is the scale fixed at the time of the introduction of the investigating centre scheme. Since then, the Town has outgrown itself considerably, its present area being one square mile, with a population of over 10,000. The new extensions, the rapid development of commercial activities in recent times and the influx of the labouring classes from outside have greatly added to the work of the Police Force., which as it stands at present, is quite inadequate to meet the requirements of the Town. During my visit to the Town, the leading men met me in a body and represented that the Town Force should be augmented, and from my personal inspection, I find it necessary to do so, as the Town being on the borders and a great storing place for grains, is in danger of being looted by the distressed people of the Town itself and the neighbouring parts. The Deputy Commissioner recommends t' opening of two Out-posts, one in each of the extensions, and entertainment of the following additional staff-

2 Duffedars for the two Out-posts.
8 constables at 4 men for each Out-post.

I consider that the additional Force proposed is the minimum required and should be sanctioned immediately. The extra cost of this establishment amounts to Rs.152 per mensem or Rs.1,824 per annum.

2 Duffedars at Rs.18	36
8 constables at 8-1-11 average 9.5	76
Local allowance of 4 each to the Duffedars and constables	40
	152

6. Davangere Taluk and Harihar Sub Taluk are the two Taluks in this District where living is very costly, equal to, if not more than, what it is on Kolar Gold Fields. Just at present, when ragi, the staple grain is being sold at 10 to 12 seers a rupee in other parts of the State, including the Kolar Gold Fields, it is selling at 7 to 8 seers a rupee in these two Taluks, and other commodities also are equally dear. The Policemen therefore should be given a substantial local allowance to meet this contingency, as otherwise it is hard to get men to enlist themselves in the Force. During my recent inspection, I found that out of a sanctioned strength of 16 men for the Harihar Town, there were as many as 10 vacancies, and such a state of things has been continuing in these parts for some months past and the situation is likely to be worse if the present seasonal conditions continue. I therefore propose that the Duffedars and constables of the Davangere Taluk and Harihar Sub Taluk be given a local allowance of Rs.4 each as without it no Police Force worth the name can be maintained in these parts. These allowances will amount to Rs.504 per mensem, or Rs.6,048 per annum, as in the margin.

	Rs
DAVANGERE TALUK	
6 Duffedars and 73 constables 69 at Rs. 4 each	316
HARIHAR SUB TALUK	
5 Duffedars and 42 constables 47 at Rs.4 each	188
Total per mensem-Rs.	504

7. To sum up, my proposals are -

I FRONTIER PATROL - TEMPORARY FOR SIX MONTHS - TO BE DEBITED TO THE FUNDS SET APART FOR RELIEF MEASURES.

1	Inspector at 60 plus 25	85 per mensem
2	Sub Inspectors at 40 plus 20 each	120
19	Duffedars at 18 plus 12 each	570
34	constables at 10 each	340
68	Talaries at 4 each	272
		Rs. 1,387

J2.

II PERMANENT ESTABLISHMENT		Per mensem	Per annum
(i) Assistant Superintendent of Police for Davangere		200	2,400
(ii) Extra staff for Davangere Town-

(iii) Local allowance to Duffedars and constables of Davangere Taluk and Harihar Sub Taluk at 4 each		504	6,048
Total excluding pay of Assistant Superintendent		656	7,872

The pay of the Assiatant Superintendent of Police, amounting to Rs.2,400 per annum, has been excluded from the total, as it will be merged in the general scheme of re-organization proposed by me while the extra expenditure for increase of the staff and the allowances to the existing staff in this District amunts to Rs. 7,872 per annum, which may be met from the anticipated savings in the Police Budget at the end of the current official year, owing to savings in pay of District Police on account of vacancies in the several grades.

8. I beg that the sanction of Government to all these proposals may kindly be obtained at a very early date.

9. I may also add that the frontier patrol Police proposed may also take up the duty of preventing the clandestine and surreptitious removal of food grains for which establishment of separate ookads has become necessary. The Food Controller with whom I discussed the matter is agreeable to this proposal. My proposals if sanctioned will save to the Government the cost of additional establishment which they have to incur for the establishment of new ookads and will secure further effective control ove them which is wanting now in the present system,

His Highness the Maharaja of Mysore.

Sir,

I have the honour to state that a detachment of 25 policemen, consisting of the Special Reserve and the students of the Police Training School, was sent to Davangere, on the requisition of the Deputy Commissioner, Chitaldrug District, to maintain order at the Davangere and the Harihar shandies and to prevent the large influx of people from across the border. These men were also allowed to man the extra out-posts opened on the approaches to Davangere, to prevent illicit traffic in food grains. Some of the men fell sick, and they had to go away on leave, and the rest want to come back on account of illness and deaths from influenza in their families. It is not also conducive to the discipline of the Force that the men should be so long away from the Head Quarters. As I have so often brought to the notice of the Government, the Special Reserve Force is not at its full strength, and it has been further weakened by the havoc which influenza has played amongst the men at Mysore and Bangalore. The food situation at Mysore and Bangalore and other places is still causing anxiety, and I cannot therefore spare the Special Reserve men for any other duty. I am therefore writing to the Deputy Commissioner, Chitaldrug District, to send back the men, and as it may take some time before my proposals for increasing the police staff of Davangere are sanctioned, I have asked him to submit proposals for manning the Davangere Town out-posts, through the Revenue Commission.

I have the honour to be, Sir,
